

URC®

Mini Fruit Bits

**Real fruit pieces
packed full of flavour**

'Mini Fruit Bits' are the smallest dice size available from Taura Natural Ingredients. At just 3x3x2mm in size manufacturers are now able to add high fruit content pieces to a wider variety of products.

Specifically developed for rotary moulded biscuits, chocolate moulding or as a visible sprinkle on cookies and snack bars, Taura's 'Mini Fruit Bits' are the ultimate solution to finished product developments that look good and taste great.

Designed for ease of processing, the new 'mini' size will ensure even product distribution throughout finished products and deliver a fruity burst with every mouthful.

*Looks good,
tastes great!*

TAURA
NATURAL INGREDIENTS

URC

Concentrated Goodness.

URC[®]

Ultra Rapid Concentration

The unique URC[®] technology produces low water activity, bake-stable pieces, flakes and pastes. The speed of the URC[®] process ensures fruit ingredients retain primary flavour, colour and nutritional characteristics, while delivering excellent product quality.

GLOBAL MANUFACTURING

Your Ingredients Partner

With over 30 years' fruit processing experience Taura Natural Ingredients is a fully integrated global company with URC[®] production facilities in both the northern and southern hemispheres. These facilities are complimented by dedicated customer support offices in the United Kingdom, Australia and USA. Taura also maintains a selling partner network across the globe to ensure the highest level of service and continuity of supply.
